LAST WEEK'S MEETING

By Alan Miller

Our president had to start the meeting with the tinkle of a miniscule **BELL**

The REAL bell has once again, gone missing. However, in the absence of a proper instrument to call the meeting to order next week --- he will bring out a AIR HORN. For heaven's sake, let's get that bloody bell back.

Upcoming events

7/24.08 Gary Knight is the president and CEO of the SD County Economic Council. Learn how the private and public sectors can partner together to sustain and carefully grow the economic base of San Diego North County

7/31.08 Our own Past President Andy Thweatt is going to regale us with photos and stories about his trip to **Tanzania ,do not miss this.**

8 -01: 1000 Smiles in Ensenada. Olga Diaz is heading this up and looking for volunteers. A great day (or weekend) fun, work and friendship. We need to be there on Friday for the event. .

8-03: our illustrious Commissioner of Fun, reminds us of the potluck and picnic at the bandstand in Coronado. Let him know if you can go and what you can bring. We had a good time last year - should be a terrific repeat.

8-12: District Council - locally at the Center for the Arts. Dinner and a concert by the Rotary Scholar's Orchestra, combined with the San Diego Youth Symphony. \$36 bucks for dinner and the show - , it's nearby, and fun.

.Mike Muehl gave a resounding lead of the pledge, and Chris Miller provided the invocation.

Visiting Rotarians included: our ever fabulous District Governor, Pam Russell, her chief of staff, Dave Breeding, and our Assistant DG, Bob France. George, in keeping with the presidential plea to bring visitors, brought his lovely daughter, Brooke.

It is with regret that Jeff has accepted the resignation of Tom Tiedeman. Due to many conflicts with his work schedule and other projects, Tom had to make some time decisions. We wish him and his lovely wife, Marti, all the best.

Mike Dunlap was fined heartily for his wedding anniversary on July 4. John Sawtelle noted the irony of a wedding on independence day. Brian Willey was also reminded of, and fined for, his 7th anniversary.
