Opening this meeting of meetings, were the clarion tones of our most beloved bell. George, in his inimitable baritone, led the pledge, and Chris, with sincerity only Chris can bring to the occasion, gave the invocation. Barry brought a visitor, his son-in-law (I don't know which number), Alan Sabin. Our lone visiting Rotarian was Tim Tucker, of the mohungous club. The secret greeter, as stated, was Kelley who singled out Olga and Nick as the violators of friendliness. C'mon Olga, you're running for office, handshaking is politics 101.

Birthday recognition for those who attended were Scott - who is grading papers with Pam to celebrate, and John Woodbury, pres. elect. Each were appropriately fined. Those who had birthdays and did not show (and yes, I'm going to name names) Mike Muehl - hiding under his desk, Randy and Jose. Nick gave an appeal for another team captain for the Thanksgiving ad (er... recognition), and as no hands were forthcoming, will make some calls. Peggy asked for some help moving our adopted family from Oceanside, Brian and John Woodbury volunteered - way to go, guys.

**CONTINUED ON PAGE 2**

We found out that evidently Gloria is a shopping maven. Peggy praised her ability to ferret out bargains and goodies to help supply the adopted family's larder. Maybe she'd shop for me - I HATE it.

Dr. D. Doyle Dannenberg welcomes Phill Robbins, president of the new Escondido West Rotary Club.

President Phill in the beginning with sponsor Doyle Dannenberg who started our club by grabbing Phill and telling him he should be in Rotary , after months of greeting people at the front door he was elected president for 18 months .

Pastor Phill regaled us with the fits and starts of Escondido WEST now SUNRISE . Of the various restaurants used for meetings by this club (only Cocina remains, hmmm).

The club was organized, some coming from the "man" club, and many still attending, in 1979. Evidently, a District Governor once visited and said there was entirely too much levity and we needed to get "on with it" We have, the levity is still there, but the accomplishments of this club, for it's size, are amazing.

They were enumerated, but you know the participation in Paul Harris, the benefactors, members of the Arch Klump society, OUR CLUB IN ONLY ! OF 2 IN THE WORLD WITH 3 A K SOCIETY MEMBERS the work done, the lives touched. You (we) have contributed a great deal to the community, country and the world in the last 29 or so years. Did you know we used to meet at the Fire-side? They wrote a letter to the board regretfully having to raise their luncheon prices from \$4 to \$4.50.

Good night - what does a \$4.50 lunch, outside of a Costco hot dog, taste like?
